LB 688A, 736, 763, 773, 781
LR 106

PRESIDENT: Senator Scofield, please.

SENATOR SCOFIELD: Mr. President and members, this is an amendment that is fairly simple clarifying language. There was some questions raised between the Department of Economic Development and the Small Business development centers about who was going to do what, how they were going to relate to each other. This is essentially an amendment that was worked out between the two entities there and I believe further clarifies their relationship. And it will, hopefully, lead to a smooth working relationship with...with a clear understanding of who has what responsibility. I believe it is a noncontroversial amendment and urge your adoption of that amendment.

PRESIDENT: Any further discussion on the Scofield amendment? If not, the question is the adoption of the Scofield amendment. All in favor vote aye, opposed nay. We are voting on the adoption of the Scofield amendment. If you care to vote on this, please do so so we can advance it. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays on adoption of Senator Scofield's amendment, Mr. President.

PRESIDENT: The Scofield amendment is adopted. Senator Scott Moore, please. You have nothing further on the bill, do you?

CLERK: Nothing further, Mr. President.

PRESIDENT: Senator Moore.

SENATOR MOORE: Mr. President, I move we advance LB 736.

PRESIDENT: You have heard the motion. All in favor say aye. Opposed nay. It is advanced. Mr. Clerk, do you have anything to put in?

CLERK: Mr. President, Senator Lamb has amendments to 763; Senator Landis to 773, to be printed. (See pages 1985-86 of the Legislative Journal.)
